Coach Cox's Comments:

What a fine job on Saturday! This was the highest team finish in school history at the Wamego Inv. Five boys earning medals and finishing in the top 30 is also a school-best for the Wamego Inv. Peyton's time was within 3 seconds of her best and she missed a medal by only one place on the tough course at this prestigious meet. This is a challenging course and combined with racing only two days earlier led us to be a little bit heavy-legged. Given that, I thought we competed very well. The only teams to beat us were a larger private school from Overland Park and Class 3A Norton. We were the top 1A school at this meet. We will be going through some tough training this week and will not race again until 9/22. We have some new runners getting started then and look forward to getting everyone healthy and back from family activities. We are off to a very positive start for this season.

Yours in running,

-Coach Cox ☺

Next Meet:

Thursday, Sept. 22 – Republic County Inv. at Belleville Country Club. First race is at 4:00 p.m. (JH)
