### **Coach Cox's Comments:**

**Congratulations to the boys team for winning the meet in Belleville for the first time since 2004. We packed well up front and that pulled us through for the win. We had 7 season-best times for the boys and girls and competed well today. We didn't all have *great* races, but we had a lot of very respectable races. We can be better and will need to, in order to defeat the competition in the next five weeks. Great job, Panthers!**

**Yours in running,**

**-Coach Cox ☺**
